

Air Force Bal Bharati School

Junior School

Students from classes 1 to 5 showcased their arithmetic skills and logical thinking in the Maths Wizard School Contest hosted by SIP Academy India.

This competition, featuring two rounds, emphasized the use of abacus to enhance mental arithmetic abilities and develop competitive skills.

Winners from Round 1 progressed to Round 2, where they competed for prestigious titles such as Champions, Superstars, and Stars, along with certificates and trophies.

This event not only recognized their achievements but also encouraged their continued growth in mathematical proficiency and competitive spirit.
