Junior School

Visit to SUCHNA BHAWAN PUBLICATION DIVISION.

We the students of class 5 had the esteemed privilege of attending the Diamond Jubilee celebration of Bal Bharti magazine on May 6th, 2024, hosted by the Publications Division, Ministry of Information & Broadcasting, Government of India. The occasion was marked by a drawing competition open to fifth-grade students, centered around the theme "Taknik sey badi duniya" (Advancing world through technology).

The event commenced with a warm welcome extended to the students, imbued with enthusiasm and encouragement from the hosts. Following the inaugural address, the theme of the competition was announced, providing students with the opportunity to express their creativity and perspectives. The atmosphere was vibrant, brimming with innovative ideas poised to shape the future.

Acknowledging the outstanding contributions, several students were felicitated with medals in recognition of their exemplary efforts. The event was not only a showcase of talent but also served as a platform to inspire and nurture the budding aspirations of our youth.

Capturing the essence of the day, mementos in the form of a commemorative magazine, caps, and refreshments were graciously presented to all attendees, ensuring lasting memories of a successful and enriching event for the students.
